Protracted Meeting to be Held at Fork Hill—The Rev. D. P. Montgomery will Assist the Pastor.

What promises to be one of the largest and most successful revival meetings ever held in this county will begin at Fork Hill Baptist church on Saturday before the second Sunday in August. The pastor, the Rev. R. J. Blackmon, will be assisted by the Rev. D. P. Montgomery, of Charleston, Missouri, who for the past six years has been engaged in evangelistic work and is now recognized as one of the most effective and eloquent preachers in the country. As is well known, he is a son of Lancaster and our people are justly proud of the splendid record that he has made as a laborer in the Master's vineyard.

Mr. Montgomery will draw large crowds not only from Fork Hill and surrounding country, but from all parts of the county. The Rich Hill, Flint Ridge and White Bluff churches have been especially invited to join in the meeting, which will continue for ten days or two weeks. As the Fork Hill church will doubtless not accommodate the large congregations expected, suitable arrangements will be made for holding services outside. Comfortable seats will be made and the ground will be covered with saw-dust.

Tribute of Respect.

In remembrance of sister Jane Hall, a consistent member of the Mission society of Union church, to which she was faithful to the end of life.

She was a good christian lady, whose home we all loved, and it fills our hearts with sorrow to give her up, yet we know it was our Father's will and that He doeth nothing wrong. Our loss of her on earth means her gain in Heaven. Oh, how we miss her. Her seat is vacant, and her greeting how warm, how lovely and so pure.

And we extend our love and sympathy to her lonely husband and children and pray that the Lord will give them strength to bear up under their troubles.

We sadly miss our sister Jane but we hope to meet her in Heaven, where partings do not take place; where all is peace and love. No sickness nor sorrow there.
